

CITY OF GREENACRES

Council Agenda Memo
2016.01TL3.033

TO: Mayor and City Council

FROM: Thomas J. Lanahan, Acting City Manager

SUBJECT: **Resolution 2016-03**
Original Section Phase 2 Stormwater Drainage Enhancement
Department of Economic Sustainability 2015-2016 CDBG Agreement
City Council Agenda Item for 02-01-16

DATE: January 25, 2016

COPIES: James D. Stokes, City Attorney
Denise McGrew, City Clerk
File: CDBG 2015-2016

Background:

On May 4, 2015, the City of Greenacres applied to the Palm Beach County Department of Economic Sustainability (DES) for a Community Development Block Grant (CDBG) for Fiscal Year 2015-2016. The project will install new drainage improvements in the area bounded by First Street to the south, Biscayne Drive to the north, the LWDD E-3 Canal to the west and Swain Boulevard to the east in the Original Section. The current estimated cost of the work is \$195,000.00. Palm Beach County DES notified the City that the FY2015-2016 CDBG Application was approved with a funding amount of \$125,767.00.

Analysis:

In order to proceed with the project, the attached Agreement between Palm Beach County and the City of Greenacres needs to be approved by the City Council. This Agreement is similar to the previous CDBG agreements between Palm Beach County and the City of Greenacres.

Legal:

The Resolution has been prepared in accord with applicable City Code requirements.

Financial:

The CDBG Agreement provides \$125,767.00 of the \$195,000.00 estimated construction cost of the project. The remaining portion of funds needed to complete the project has been budgeted in the FY 2016 budget.

Staff Recommendation:

Approval of the FY 2015-2016 CDBG Agreement through the adoption of Resolution 2016-03.

Thomas J. Lanahan
Acting City Manager
