Capital Improvements

Community Center Expansion

Project was advertised for bids on June 28, 2015. Bids were received on July 29, 2015 and City Council awarded the project to Sisca Construction Services, LLC on September 3, 2015. Exterior walls are constructed. Interior finishes, HVAC, and electric are nearing completion. The project is expected to be substantially complete in August 2016.

Original Section Drainage Improvement

An engineering study of existing conditions and potential improvements was completed. The project was divided into 6 phases and is being funded in part with Community Development Block Grant Funds. The first phase of improvements (First Street between the E-3 Canal and Swain Boulevard) has been completed. Bid Proposals were received on March 30, 2016 for Phase 2 (alleys in the southwest quadrant). The City Council awarded the project to Johnson Davis on June 6, 2016, with Notice to Proceed issued on June 8, 2016 and contract start date was June 15, 2016. Construction is expected to begin in mid July.

Public Safety Building Renovation

This project provides for the renovation of 2995 South Jog Road in Phase 1 to modify building access to address effects of the contract with PBSO for law enforcement services and in Phase 2 to adapt the former dispatch center to meet Fire Department functional needs. Due to the cost of the work, a competitive bidding process was required, with the contract awarded to ARZ Builders, Inc. Phase I of the project is completed, with additional work requested by PBSO to be undertaken shortly. Construction bid documents are being prepared for the Fire Department renovation (Phase 2).
