

CITY OF GREENACRES
CERTIFICATE OF COMPLETION

PROJECT NAME: _____

PROJECT LOCATION: _____

DATE: _____

I hereby notify the City of Greenacres of the completion of the construction of the site improvements for the referenced project and hereby certify that the water distribution, sewage collection, paving, striping and marking, sidewalks, drainage and water management facilities have been constructed in substantial conformance with the reviewed plans and specifications on file with the City of Greenacres. This certification is based on field inspections conducted by me or by a project representative under my direct supervision and control and review of the record drawings attached hereto.
