FOR IMMEDIATE RELEASE
Date: July 25, 2016

Calling all Health, Wellness and Fitness Vendors...

In April of 2015 the City of Greenacres was awarded our fifth gold medal in Recognizing Achievements in Preventing Childhood Obesity through *Lets Move!* Cities, Towns and Counties. The final goal of this achievement was *Active Kids at Play*, we are proud to announce that this event will feature our newest instructors and class offerings for the Greenacres Community Center.

"We are very honored by the national recognition of the City's efforts in promoting a healthy lifestyle for our children through physical activity and nutrition education."

- Mayor Samuel J. Ferreri

The City of Greenacres will be hosting a *Fall Fitness Festival & Green Market* on Saturday, October 15, 2016 from 11:00 a.m. to 3:00 p.m. This event will be held at the newly expanded and renovated Greenacres Community Center, located at 501 Swain Blvd. The Leisure Services Department is searching for vendors to provide free fitness demonstrations, class information, nutritional education and relaxation techniques and opportunities.

If you are a health related business committed to building a healthier community for children and families, we want you to participate in this event! A variety of sponsorships and vendor booths are available. Submissions will be accepted until September 30th.

For more event and sponsorship information, please call the Greenacres Leisure Services Department at 561-642-2195 or email dclark@ci.greenacres.fl.us.
