FOR IMMEDIATE RELEASE
Date: April 19, 2016

The City thanks the participating sponsors and businesses as it celebrates its 90th Anniversary on Saturday, April 16, 2016

Incorporated in 1926, our great city has been growing and thriving and we celebrated with a Roaring 20's "Then to Now" theme. The 90th Anniversary Celebration was held on April 16, 2016, 11:00 a.m. to 3:00 p.m. at Community Park, located at 2905 Jog Rd. Community Park. The park was filled with local vendors, City department history booths, a children's area filled with inflatables and information booths, entertainment from our local schools, Palm Beach Sheriff's Office with their Eagle helicopter, K9 Unit and Mounted Patrol, Greenacres Fire Rescue with an on-site car extrication, and a Roaring 20's Costume Contest. All City residents who were in their 90's were recognized at the celebration. Food Truck Invasion, a biergarten and other food/beverage vendors were on site. The City offered a free continuous shuttle from Community Park to the Greenacres Historical Society Museum on Swain Blvd for tours.

The City would like to extend its tremendous gratitude to our generous sponsors and business partners for the grand celebration:
